Class Descriptions

ARM FARM

Group training session specifically targeted at improving the movement and strength of the upper body. Class programming is based on organized, progressive training principles aimed at realizing those goals.

BARRE

This class utilizes the ballet barre, combining a progression of movements to work the entire body while developing greater physical awareness and posture. Intense yet low impact, this class will stabilize your core while working major muscle groups as well as the smaller muscles in the thighs and seat. A final stretch encourages muscle length and balance.

VERTICAL BARRE

Prepare to elevate ballet inspired techniques with the ActivMotion Bar. This cutting edge fitness tool will take your workouts to the next level and challenge every muscle in this "off the wall" barre fusion class. The perfect addition to any workout, the ActivMotion Bar will lengthen, stretch, and tighten core muscles while improving your balance.

BOXING

Learn authentic boxing moves from Golden Glove champion and professional Muay Thai boxer, Karl Santiago. Work your mind as well as your body during this 50 minute workout that helps you "think" like a boxer while getting fit! Hand wraps recommended.

FIT+CAMP

A total fitness approach to enhance competence in all components of fitness: cardiovascular endurance, strength, flexibility, coordination and balance for improved overall wellness and fat loss.

CARDIO BARRE

Come party at the Barre with us and enjoy a fun, invigorating workout that develops muscular endurance and strength through non-stop cardio ballet moves. This half hour energizing athletic-based workout is designed to tighten and tone your glutes, strengthen and lengthen your hamstrings and minimize your thighs muscles. No dance experience necessary! Sneakers, with an extra pair of socks or Barre socks recommended.

POWER YOGA

This is a dynamic, empowering, and energetic class where students connect breath to movement. It incorporates strength, flexibility, balance, physical and mental stamina, creating a sense of calm in the mind and body. Great for students who prefer a strong foundational practice. Modifications for beginners will be provided; all levels are welcome.

YOGA FLOW

This is a foundation building class great for both new and seasoned students. Expect to find a full-body flow, exploring the foundation of postures and principals of Vinyasa (linking breath to movement) at a moderate pace. This class focuses on increasing strength, flexibility, and balance, leaving you feeling centered and energized. A perfect compliment to any workout routine.

Class Descriptions

RALLY METABOLIC

Group fitness class focused on total body conditioning circuits which are aimed at enhancing fitness, lean-muscle tissue, and movement quality. Class programming is based on organized, progressive conditioning principles which will enable you to increase your fitness goals.

RALLY STRENGTH

Group training session focused on improving movement quality, building strength, and enhancing lean muscle. Class programming is based on organized, progressive training principles which will enable you to increase your strength goals.

REFORMER PILATES

Pilates Reformer is a piece of equipment that provides resistance with a series of springs and ropes. Taught in small group settings, classes are designed with your specific needs in mind and focus on improving strength, coordination, flexibility, balance and stability.

RESTORATIVE YOGA

Take a break from your day to relieve stress with a series of holding postures that will focus on restorative yoga, breath work and meditation. This class will help you renew and reset. Socks and a long sleeve shirt or hoodie recommended for optimal relaxation.

RUSH RIDE

The proprietary indoor cycling program of RUSH brought to you at Alexandria!

WOMENS ABC TRAINING

Whether you are new to strength training or a seasoned veteran, this class is for you! Under the guidance of our amazing coaches, you'll experience a total body workout that will challenge you wherever you are on your fitness journey.

YOGA SCULPT

Don't think you can get cardio, strength and flexibility training all in one workout? You can! This is a total body workout, using the foundation of Vinyasa yoga combined with strength based movements. Focus the mind as you strengthen the body. Modifications for beginners will be provided; all levels are welcome.

YIN YOGA

Experience a yoga style that's fast becoming a sought after practice. Yin Yoga focuses on accessing deeper tissues by applying moderate stress to the connective tissues such as tendons, ligaments and fascia. This connective tissue tends to be tight and stiff creating a restricted body. Yin Yoga aims to loosen up these tissues increasing their flexibility and pliability resulting in increased mobility in the body.
